

Campus Parent Portal - Grades

To view student grades in the Infinite Campus Parent Portal, login and follow the instructions below:

Click on Grades.

Use dropdown list to view other students.

The Grades tool shows all of the grades earned by the selected student for all tasks (such as Quarter or Semester grades). Posted grades are displayed in bold, with In-Progress grades indicated as "In-progress." The student's Cumulative GPA also displays at the top of the Grades tab if enabled.

View grades by selecting an option at the top. Term 1 = Quarter 1; Term 2 = Quarter 2; Term 3 = Quarter 3; Term 4 = Quarter 4.

Where the grey arrow displays for a task, click the task to view the Categories that contribute to the grade. Expand categories to view all included assignments. Click assignments to view details.

The screenshot displays the 'Grades' tool interface. At the top, there are tabs for 'All Terms', '1', '2', '3', and '4'. Below this, it shows 'Term 1 (07/01 - 10/04)' and a 'Settings' link. The 'Grades Settings' section includes checkboxes for 'Hide dropped courses' and 'Hide rows without grades or assignments' (which is checked). There are 'Expand All' and 'Collapse All' buttons. The 'Cumulative GPA: 2.05' is displayed. A list of courses is shown, including 'Pre Calculus' and 'English 10'. The 'Pre Calculus' course is expanded, showing a 'Term Grade' of 'B+ (89%) In-progress' with a grey arrow next to it. A red arrow points from this arrow to a detailed view of the 'Pre-Calculus' grades on the right. This detailed view shows a table with the following data:
