(808) 305-0700

Vision:

We are developing global leaders who positively contribute to society.

Mission:

Build Character. Strive for Competence. Instill Commitment.

Transforming Teaching and Learning by offering:

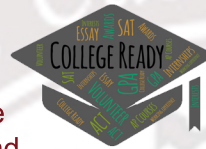

- Freshman Seminar
- AVID
- A College and Career Academy Design
- Post Secondary and Industry Partnerships
- AP Courses
- Early College Courses
- Running Start
- Project-based learning focused on authentic learning experiences

College and Career Academy Design:

Career Academies, which typically serve between 150 and 300 students from grades 9 - 12, are organized as themed learning communities, which combine academic and technical curricula around prescribed pathways; while fostering lasting partnerships with local employers to provide work-based learning opportunities.

Every CHS Graduate will be:

College Ready

All students will complete the college continuum and

- Earn a ACT 21 and/or
- Earn at least 3 college credits

Career Ready

All students will complete the career continuum and

- Earn an industry certification and/or
- Be a Career and Technical program completer and/or
- 95% or better daily attendance

Community Ready

All students will complete

- A minimum of 10 hours of community service and
- Complete 6 HA reflections

Life Ready

All students will complete

- A 10 Year Plan and
- Pass the Personal Transition Plan e-Portfolio
